Mr. Levey is very familiar with the properties of the Burlington in Missouri, and realizes the importance of developing the business of the company in the State. He is married and has two daughters.

Mr. Elilott also stated yesterday that the Burlington will not appoint a successor to Mr. Eustis, promoted to passenger traffic manager of the Burlington. He departed last night over the Southern Railway for Louisville to meet his family.

HILL AMENABLE TO ITS LAWS. Combine Acts in Minnesota's Suit

Against Merger.

St. Paul, April 12.—The first move of the various interests concerned in the railway merger, as against the suit instituted by the State of Minnesota in the Ramsey District Court, has been taken by President Hill's attorneys.

They have served notice upon Attorney General Douglas of a motion to vacate service in the summons and complaint of the State of Minnesota against the Northern Scurities Company, and against President James J. Hill, of that corporation, and of the Great Northern.

The metion will come before the Ramsey District Court for argument one week from to-day. The motion will be based on the claim that the Northern Securities Company is a New Jersey corporation and outside the jurisdiction of the Minnesota courts. It will also be argued that James J. Hill's residence in this State is mercay personal, and that he is not amenable to the laws of the State.
